Post 1: Soft Launch

Introduces the brand and opens the Karachi pilot waitlist.

Post 2: Continuation (half the story)

Shows about half of the product and builds excitement to try it.

Post 3: Product Feature (what, why, how)

Explains the core feature in three steps: camera, cloud AI, earpiece.

Post 4: Comparison with Alternatives

Shows how OmniSight AI differs from manuals, phone calls and remote video.

Post 5: A Common Problem

Relates to the daily problem: stopping work to search for answers.

Post 6: The Most Important Element

Safety first: approved procedures, uncertainty detection, human expert.
